BIOGRAPHY

John Doe was sworn in as position here to Somewhere on August 12, 2006. Mr. Doe practiced law for over 25 years representing many of the largest companies in the United States. He is the author of several books on a xxxxxx and has had a successful career as a xxx and xxx on topics ranging from xxxxx to the process of creative thinking. In addition to his private legal practice, John Doe served as General xxxx and Executive Vice President for his privately held xxxxx, the xxxxx Corporation, until the sale of that business in 2009.

In his capacity as a real estate developer, John Doe worked for many years restoring and redeveloping historic properties. This work caused him and his wife to become more and more engaged in “green” building and ultimately focused on climate change and renewable/alternative energy. In 2005, John and Mrs. Doe founded the xxxxx Initiative which is committed to implementing both experimental and off-the-shelf technologies in the built environment, not just to xxxxx but to offset xxxxxxxxxxxx.

PERSONAL INFORMATION

John Doe has a diverse and encompassing background. Born and raised in New York City, Mr. Doe also lived in New Orleans, Louisiana for many years and prior to moving to Xxxxx, was a long time resident of Boulder, Colorado.

John Doe has had a lifelong passion for nature and the wilderness. An avid hiker from his youth, Mr. Doe has camped all over America, throughout Europe and much of East Africa. A boxer in his high school years, John Doe later was a member of his college’s championship fencing team. Mr. Doe also worked as a boatman rowing wooden dories down the Colorado River through the Grand Canyon for nearly ten years. When his children were young he was a committed runner and then later became a successful body builder. John Doe won the Colorado State men’s masters body building championship several years in a row.

A mineral collector since he was a boy, John Doe has assembled one of the leading collections of fine minerals in the United States and he and his wife are major donors of mineral specimens to museums throughout America.

Board of Trustees, xxxxxx Trust

The mission of the xxxxx Trust is to protect and restore the xxxxxx Plateau—its spectacular landscapes, flowing rivers, clean air, diversity of plants and animals and areas of beauty and solitude. We work toward a region where generations of people and all of nature can thrive in harmony. The organization's vision for the xxxxxx Plateau one hundred years from now is:

- A region still characterized by vast open spaces with restored, healthy ecosystems and habitat for all native plants and animals.
- A sustaining relationship between human communities and the natural environment.
- People living and visiting here who are willing and enthusiastic stewards of the region's natural resources and beauty.

Member, xxxxxxxx Action Panel

In 2007, Governor xxxxxx, Jr., announced the state government's xxxx plan. Described by the governor as a first installment and a living document, it outlines broad actions to be taken to achieve the climate-protection goals at its centerpiece: a 20% reduction in xxxxxx's emissions of heat-trapping gases by 2020 and an 80% reduction by 2050, both in comparison to 2005 levels. In 2008, Governor xxxxxx issued an Executive Order, "xxxxxxx," which implements some of the items in the xxxxxx Climate Action Plan.

Among other things, it:

- Sets as official state policy the emission reduction goals the Governor announced in the Climate Action Plan.
- Requests the xxxxxx Public Utilities Commission to require from the state's two PUC-regulated, investor-owned utilities plans for 20% reductions in their emissions of heat-trapping gases by 2020
- Directs CDPHE to propose to the state's Air Quality Control Commission by April 2010 a proposal to reduce emissions of heat-trapping gases from motor vehicles.
